Webtex® G2

A new level of performance

As the saying goes; when you focus on the good, the good gets better. As a result of a fruitful testing and development process with committed customers we can now present our lift tape for outdoor blinds in an even stronger version:

The Next Generation – G2.

Webtex® G2 is improved in terms of thickness/stiffness, UV resistance and breaking strength. Please see specifications and inserted samples for colour and quality. For further information, please contact us at info@juliuskoch.com
